Thank you for your application.

Please find attached the results of your Skills Assessment from VETASSESS for your nominated occupation of Civil Engineering Draftsperson (ANZSCO Code: 312211).

We are pleased to advise you that you have received a suitable Skills Assessment outcome.

Required Skill Level:
This occupation requires a qualification which is assessed as comparable to the educational level of an AQF Diploma or higher, in a field highly relevant to the nominated occupation.

Once you have completed one year of employment at an appropriate skill level in a field highly relevant to your nominated occupation, you will be eligible to apply to VETASSESS for a full Skills Assessment to support an application for permanent residency.

Please submit this page and the following Skilled Migration Assessment to support your visa application for migration to Australia.

Yours sincerely,

Dr Mamta Chauhan
Executive Director – VETASSESS

Please note that VETASSESS bases this assessment on evidence supplied by the applicant. If at any stage in the assessment process, fabricated, falsified or non-genuine evidence is detected, the assessment will be cancelled and the outcome will be revoked. No refund on the fee will be provided. The assessment of a person's suitability for employment, membership of a professional body, or further study is a matter for the relevant authorities in Australia to determine. It is important to note that to work in some occupations in Australia requires registration with the relevant Australian registration authority for that occupation. The above skills assessment is not an assessment for occupational registration. The relevant registration authority may have different or additional requirements for registration.
